Innov-is 350

Special Edition

To celebrate 50 years in Europe, Brother has produced the Innov-is 350 Special Edition. Enjoy applying any one of the 294 built in stitches, including a variety of utility stitches from blind hems to advanced decorative patterns.

Features at a Glance:

- **LCD display** – Backlight clearly shows sewing information.
- **Handy central controls**.
- **Super bright LED** effectively lights work area.
- **7 point feed** ensures smooth fabric feeding and superior stitch quality.
- **Thread cutter button** – Automatically cut upper and lower threads.
- **Needle stop position control** select whether the needle should be up or down when the machine stops.
- **Presser foot levelling button** for smooth consistent stitching over changing fabric thicknesses.
- **Slide speed control** adjusts speed from slow to fast.
- **Automatic reverse** reinforcement stitches for professional beginning and end of stitching line.
- **Bobbin winding system**.
- **Drop feed** for free hand sewing. Useful for quilting or embroidery.
- **Knee lift** frees up your hands by using your knee to lift the presser foot.
- **10 memory slots** for saving your favourite stitches.
- **Combining patterns** – Combine up to 70 stitch patterns and save them to memory.
- **My Custom Stitch™** allows you to create your own stitch designs.
- **Mirror imaging** creates a mirror image of your stitch pattern to give even more stitch variety.
- **Repeated single sewing** – Choose whether a stitch pattern will be sewn once or repeatedly.

Just drop in a full bobbin and you are ready to sew.

Easy automatic needle threading.

Quick reference panel to easily see all 294 stitches.

Accessory compartment comfortably holds all the included accessories.

Choose from 294 utility and decorative stitches including 10 buttonhole styles and 3 lettering styles

Optional Accessories

Walking Foot
Ensures an even feed action when sewing multiple layers of fabric or when matching fabric prints.

Quilting foot
A spring action, clear quilting foot marked for easy reference that handles a variety of fabric thicknesses.

Wide Table
For easier handling of fabrics when sewing or working with quilting or large projects.

Wide range of optional accessories available. See your dealer or visit www.brothersewing.eu for details.
